

**Neurio Products Package Change Notification**

Dear valued customers,

In order to better meet the evolving demands of the market and enhance the brand image of Neurio, we are delighted to announce a comprehensive **upgrade to the packaging** for the Neurio Formulated Milk Powder with Lactoferrin (Blue), Neurio Modified Milk Powder with Lactoferrin (Immune plus), Neurio Formulated Milk Powder With Lactoferrin & Sialic acid 120g (Wisdom), and Neurio Modified Milk Powder with Probiotics & Lactoferrin 120g products, as well as **formula upgrades** for Neurio Formulated Milk Powder with Lactoferrin (Blue), Neurio Modified Milk Powder with Lactoferrin (Immune plus). The new packaging not only represents our commitment to pure Australian quality but also injects a stronger identity into the brand. We will sell the new and old packaging in the market simultaneously until the old packaging is sold out.

The formula for Neurio Formulated Milk Powder with Lactoferrin (Blue), Neurio Modified Milk Powder with Lactoferrin (Immune plus) has been comprehensively updated to become more balanced and scientific. Adhering to the concept of advanced scientific research, we employ strict production standards, controlling every production link to ensure consistent product quality, offering you a more assured choice. This update is not only an enhancement of our products but also a return on your trust.

Thank you for your continued support of Neurio. We will continue to strive to provide you with the highest quality and most reliable products. If you have any questions about the new packaging or products, please feel free to contact our customer service or visit the official website, it would be our pleasure to answer your enquiries.
